

June 30, 2010

To Whom It May Concern:

This is to certify that "Elegant Events, Inc." and "Abel Caterers, Inc." of Woodbridge, CT are under my strict Rabbinical supervision thru June, 30, 2011.

For your information:

1. All wines used in food preparation as well as the meal must be Mevushal.
2. Fish menus are available. All fish is filleted at our commissary or purchased from Supervised sources.
3. Meats are Glatt Kosher. A Mashgiach Temedi is at the commissary.
4. Dairy products are NOT Chalev Yisroal unless specifically requested.
5. No food will be cooked or transported on a Jewish holiday. A Saturday night affair needs a discussion concerning the time of the event. The Synagogue bears the responsibility for the time of a Saturday night affair and the reheating of the food on the Sabbath.
6. "Abel Caterers, Inc." is available to cater at non-kosher venues by special arrangement. A Mashgiach must be at the entire affair.
7. There are separate kitchens for meat and dairy preparations.

Please feel free to call me with questions. The day of the affair, you are welcome to visit us in the commissary.

Sincerely,

*Mosha Epstein*
